Who We Are

COMMERCIAL/INDUSTRIAL PAINTERS

Paintco & Associates Pty Ltd have the task of cleaning and preparing various industrial buildings before painting. We can handle any size building ranging from hotels, resorts, apartment blocks, factories and warehouses.

Paintco & Associates Pty Ltd use various methods and tools to complete your job, including traditional methods such as paintbrushes and rollers. Where necessary, we can use spray guns to apply paint or stain onto timber, gyprock or pre rendered surfaces.

What We Do

Paintco & Associates Pty Ltd ensures that your job is undertaken with the upmost care, efficiency and safety.

We are proficient with:

The preparation of surfaces – Including filling holes, sanding, repairing woodwork, removing old paint or wallpaper and sealing surfaces

- The erection of scaffolding when required
- Colour consulting and preparing paint
- Various applicators such as rollers, paintbrush, spray guns and applying various effects
- The cleaning of all equipment properly, work areas and any splatters that may have occurred while painting including the removal of debris

Safe removal of lead based paint

- 2 Pack epoxy finished and protective coatings
- Special paint finishes and feature walls such as metallic, glitter, suede, Tuscan / texture, anti-graffiti and stains
- New and innovative products and technologies, such as Kien Concretal Lasur concrete stain
- Paintco & Associates Pty Ltd staff are certified for the use of swinging stages and boom lift

“Your job is undertaken with the upmost care, efficiency and safety.”

Paintco & Associates has also completed a number of other projects for client Reitsma Constructions Pty Ltd:

- Arndell Anglican College
- Covenant Christian School
- Macarthur Adventist College
- St Peters College

Philosophy

Paintco & Associates Pty Ltd understands that they are part of the building process. We will work safely, cooperatively and be flexible with any other work that is being completed on your building or house.

Painting adds the finishing touch. When we paint, we help sell your building and we renew and complete your home giving it a fresh, new look. The difference is not always in the paint; it's in the people who complete your job and the relationship we aim to build with you.

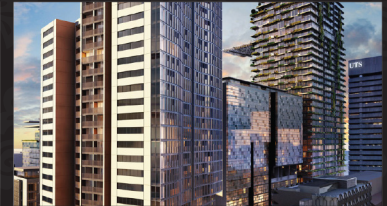

“The difference is not always in the paint; it's in the people who complete your job...”
